### SINGLE-USER BOAT SLIP ASSIGNMENT GUIDELINES SECTION 3

The following guidelines will be used for new single-user boat slip assignments:

- 3.1 In order to be considered for a single user boat slip a property owner must be on the Firefly Cove Boat Slip User Seniority List
- 3.2 A property owner may add their name to the Seniority List at any time by writing, calling, or e-mailing the Secretary. An eligible property owner's seniority on the Seniority List is established by the date that they contact the Secretary. If more than one property owner contacts the Secretary on the same date to be placed on the eligible property owner's seniority list, the seniority will be established by which eligible property owner has owned their property in Firefly Cove longer as determined by the closing date of the purchase of their property in Firefly Cove. An eligible property owner is not required to own a boat to be placed on the Seniority List. It is the eligible property owner's responsibility to ensure their contact information is correct and on the list.
- 3.3 When an opening on the Seniority List for a single-user boat slip occurs on or before September 9 the following procedure will be followed:
  - a. Upon availability of an open single-user boat slip, as set forth in the Firefly Cove Boat Slip Layout, an eligible property owner who was not previously assigned a single-user boat slip will be notified by the Secretary of the assigned open single-user boat slip according to their seniority on the Seniority List maintained by the Secretary within 5 days.
  - b. **A non-refundable Transfer Fee of four (4) times the annual boat Dock Assessment** as determined by the Board in Section 6.1 shall be paid to the POA by the property owner within thirty (30) days after notice of assignment of a single-user boat slip from the Secretary. Failure to remit the non-refundable Transfer fee to the POA within forty-five (45) days shall result in termination of the property owner's right to use the assigned single-user boat slip and being dropped to the bottom of the Seniority List.
  - c. If selected for a boat slip, the eligible property owner must provide **a copy of the title for their boat and a copy of their Lake Lure boat permit** within 60 days of notification from the Secretary. Failure to submit **a copy of the title for their boat and a copy of their Lake Lure boat permit** to the Secretary within sixty (60) days shall result in termination of the property owner's right to use the assigned single-user boat slip and being dropped to the bottom of the Seniority List.

- d. **A non-refundable Annual Assessment**, as determined by the Board in Section 6.1, shall be paid to the POA by the property owner within thirty (30) days after notice of assignment of a single-user boat slip by the Secretary. Failure to remit the non-refundable Annual Assessment to the POA within forty-five (45) days shall result in termination of the property owner's right to use the assigned single-user boat slip and being dropped to the bottom of the Seniority List.
- e. If the non-refundable Annual Assessment was paid by the previous boat slip user, then the Board may waive Section 3.3(d)

3.4 When an opening for a single-user boat slip occurs on or after September 10, if selected for a boat slip the eligible property owner is subject to Section 3.3(b) and has two (2) options:

Option 1

If the property owner wishes to use the assigned single-user boat slip for the remainder of the year, then the property owner is subject to Section 3.3(c)

Option 2

If the property owner does not wish to use the assigned single-user boat slip for the remainder of the year, then the property owners must notify the Secretary that he/she does not wish to use the assigned single-user boat slip for the remainder of the year, **a copy of the Boat Title and a copy of the Lake Lure boat permit** as required in Section 3.3(c) may be waived for the current calendar year. For the next calendar year, the property owner must comply with the Regulations as set forth in Section 2.

3.5 Eligible property owners who turn down the offer of a single-user boat slip will not retain their seniority position on the Seniority List. They will be dropped to the bottom of the list.

Example: A boat slip becomes available on March 2, and the previous boat slip user did not pay the Annual Assessment then the new boat slip user would comply with Section 3.3(b), 3.3(c) and 3.3(d)

Example: A boat slip becomes available on July 15, and the previous boat slip user did pay the Annual Assessment then the new boat slip user would comply with Section 3.3(b) and 3.3(c)

Example: A boat slip becomes available on September 30, and the previous boat slip user did pay the Annual Assessment then the new boat slip user could choose Option 1 and would comply with Section 3.3(b) and 3.3(c) or choose Option 2 and would comply with Section 3.3(b)
